

Biesse: international events in Paris and London

Pesaro, 1st December 2017

The Biesse initiatives continue as signals of proactivity towards the international financial community. Just ended the MidCap Forum organized by Exane BNP Paribas in London, one week later the Conference in Paris sponsored by Mediobanca. During these events the Biesse management met analysts and international investors confirming the short term targets (*FY 2017 economics-financials*) and the expected business driver supporting the future growth (*Industry 4.0*).

The Biesse Group operates in the market for machinery and systems for working wood, glass, marble, and stone. Established in Pesaro in 1969 by Giancarlo Selci, Biesse SpA has been listed since June 2001 in the STAR segment of the Italian Stock Exchange and is currently listed in FTSE IT Mid Cap index.

The Company offers modular solutions from the design of turnkey plants for large furniture manufacturers to individual automatic machines and work stations for small and medium enterprises and the design and distribution of individual highly technological components.

As a result of its attention to research and innovation, Biesse can develop modular products and solutions capable of responding to a vast range of requirements from clients.

A multinational company, the Biesse Group distributes its products through a network of subsidiaries and associates located in leading strategic markets.

Its 37 directly controlled subsidiaries guarantee specialised after-sales service to clients while at the same time conducting market research into new product development.

At present Biesse Group has about 4,000 employees in its main production facilities located in Pesaro, Padova, Villafranca (VR), Thiene (VI), Alzate Brianza (CO), Bangalore, Dongguan and in its subsidiaries/associate offices in Europe, North America, Latin America, the Middle East, Asia and Australasia. The Group also has more than 300 resellers and agents enabling it to cover more than 100 countries.
