

PRESS RELEASE

19 March 2012

BIESSE GROUP

Documents deposited

Please note that Biesse S.p.A. has today made publicly available at its registered office and on the website www.biesse.com the information document required under article 84-bis of the Issuers Regulations regarding the incentive plan relating to the top management of the Biesse Group called the "Long Term Incentive Plan 2012 - 2014", which will be submitted for the approval of the Shareholders' Meeting of Biesse S.p.A. called for 27 and 28 April 2012. This document will remain publicly available on the website www.biesse.com throughout the duration of the plan.

The Biesse Group operates in the market for machinery and systems for working wood, glass, marble and stone. Founded in Pesaro in 1969 by Giancarlo Selci, Biesse S.p.A. has been listed on the STAR sector of Borsa Italiana since June 2001.

The Company offers modular solutions from the design of turnkey plants for large furniture manufacturers to individual automatic machines and work stations for small and medium enterprises and the design and distribution of individual highly technological components.

As a result of its attention to research and innovation, Biesse can develop modular products and solutions capable of responding to a vast range of requirements from clients.

A multinational company, the Biesse Group distributes its products through a network of subsidiaries and associates located in strategic markets.

The 30 directly controlled subsidiaries guarantee specialized after-sales assistance to clients whilst at the same time carrying out market research in order to develop new products. The Biesse Group has more than 2,700 employees in its main production sites in Pesaro, Alzate Brianza, Bangalore Dongguan and its associates/branch offices in Europe, North America, the Middle East, Asia and Australasia. The Group also has more than 300 resellers and agents enabling it to cover more than 100 countries.
