

Participation at the Industrial & Healthcare conference 2021

Pesaro, 8 September 21 – Biesse attended today, in a remote way, the Industrial & Healthcare conference 2021 organized by Borsa Italiana. During this occasion Biesse had the opportunity to share with almost 50 investors/analysts the programs even detailed in the Three Years Plan (2021-2023) recently approved.

Despite Biesse confirmed the commitment to assure his business continuity always guaranteeing safety standards, the scope of the event and the persistent lack of a medium term visibility require necessary caution and prudence regarding the forecasts.

Biesse Group is multinational leader in technology for processing wood, glass, stone, metal, plastic and composited materials. It designs, manufactures and distributes machines, integrated systems and software for manufacturers of furniture, door/window frames and components for the constructions, ship-building and aerospace industries. The Group realizes the 85% of the total turnover outside Italy, using 13 premises, 39 subsidiaries, 300 selected dealers. Its customers include some of the most prestigious names in Italian and international design. Founded in Pesaro in 1969 by Giancarlo Selci, Biesse has been listed in the STAR segment of the Italian Stock Exchange since June 2001. It actually has almost 4,300 employees distributed all over the world.
